

**Dr. Jochen Biedermann**  
*Representative*  
*Frankfurt Main Finance*

**Dr Jochen Biedermann** is an experienced consultant in the financial industry, working out of Hong Kong and Frankfurt with stock exchange, regulatory authorities and financial centres around the world. On behalf of the financial centre of Frankfurt he takes care of development and implementing partnerships between Frankfurt and other international financial centres as well as of positioning Frankfurt as an Offshore RMB centre among German and EU companies to ease their business with China.

From 1999 to 2013 Jochen worked in different leading positions for Deutsche Börse Group, a leading and fully integrated global exchange organisation headquartered in Frankfurt. As SVP for International Affairs he was in charge of Deutsche Börse Group's business in emerging markets. He represented Deutsche Börse in intergovernmental working groups and supported in establishing Deutsche Börse's business in China and Russia.

Between 2001 and 2005 he was also a lecturer for Frankfurt School of Finance & Management. Jochen holds a diploma in mathematics & computer science from the University of Göttingen and a Ph.D. in mathematics from the University of Cottbus, Germany.
